THE
19TH CENTURY
ALMANAC.

A COMPLETE CALENDAR FROM
1800 TO 1900

WITH THE
PRINCIPAL EVENTS IN EACH EXPIRED YEAR.

USEFUL FOR THE BANKER, MERCHANT, LAWYER, AND
EVERYBODY WHO WANTS TO KNOW ABOUT
THE TIME THAT WAS,
THE TIME THAT IS,
THE TIME THAT IS TO COME.

ALLEN, LANE & SCOTT,
PUBLISHERS AND PRINTERS,
Nos. 229 and 231 South Fifth Street,
PHILADELPHIA.
1886.

PREFACE.

IN publishing this Almanac we feel sure it meets a public want, and can not fail to be of general service.

Frequently in legal cases it becomes necessary to refer to long-past dates as important points of evidence, and in some business transactions the future is scanned for possible terminations of contracts. To search out these desired dates under former methods imposes delay and labor which may here be avoided, and in the compass of this book the past and present of the Nineteenth Century may be seen with the unfolding of its remaining years.

As a work of reference it is not confined to the professional or business man, but will be found useful to every one, since dates are of marked interest both for private reasons and in family affairs.

As a condensed chronicle of important events this book will prove to be interesting, and at a glance may be seen the occurrences of the past years that had the most influence at the time, and left their impress on the future, and thus it is the history of the century in brief.

The Calendars commence with 1800, although the century really begins with 1801.
